

## CO-RULER APPRENTICE

MARCH 27, 2025

Joining Team Jesus' Fullness Alignment Game as His Co-Ruler Apprentice means you are signing up for an adventure with your King Jesus Fullness. It's a journey, a magnificent journey, with twists and turns and mystery and drama until you ultimately have climbed Mount Jesus and reached its summit to find King Jesus and see Him face-to-Face. This is when He lifts you into position as His Co-Ruler Professional.

Your successes and/or failures when climbing Mount Jesus is not what makes you worthy to Co-Rule with King Jesus. It is the act of trusting our King Jesus and following Him through every challenge and around every obstacle meant to make you flee His Mountain. It is your loyal trust in Him that will make you worthy to be His Royal Co-Ruler.

King Jesus' Summiteers are full of GRIT and their characters have been tested by fire and purified. We become worthy to be His Co-Ruler because we have persevered through our failures and continued to trust Him. Businesses, projects, and relationships can fail, but our Good GOD values you more than gold. He is investing in you as His precious pearl. What cannot be learned by easy success is how to treat others fairly and treasure them like our King Jesus does when they are climbing Mount Jesus beside or behind you and are having challenges and failures of their own.

To make decisions and rule like King Jesus, He plans to invest massive amounts of time and effort into training you to be His trusted co-ruler that He can depend on to make decisions and rulings like He would. This will occur because we know Him so well and are deeply loyal and committed to making Him happy with how well we have embraced His passions, plans, priorities, and perspective.

GOD'S Resistance Training (GRIT) will mold you into a person with a strong character. You will be forged like iron with adversity and perseverance. King Jesus' Adventures aren't for wimps, but He is always very careful with you and He will never break a bruised reed. As you keep your eyes on Jesus and continue to stay focused on Him, you become like what you are focused on.

While Our King Jesus is the greatest, He wants to celebrate you being great too. Our Good GOD loves to reward us, but great rewards to people with weak characters leads to their corruption and abusing others. Our Good GOD will never set us up to fail, but Satan loved doing it.

Success, our Good GOD'S Way, is fairly offered to everyone. Our King Jesus became the greatest because He provided His products and services to every human (past, present, and future). The quality of His products and services was perfect; and the cost to Himself to provide us with His products and services was a painful, tortured death on a cross. While none can rival our King Jesus, we can provide the world our high quality products and services and our trek up Mount Jesus is our cost.

The funds on your Co-Ruler Apprentice Card are your monthly wages as His Co-Ruling-Apprentice-in-Training. To get out of Mount Jesus Base Camp, you must plug into Holy Spirit, then King Jesus and Father GOD as your Expert Guide. Ask Them a zillion curious questions about how everything works. They can't be stumped! You are already on your way to becoming irresistible like our King Jesus is and His worthy Co-Ruler. Enjoy His adventure!

XO, Royal
