

# CO-RULER CHILD

March 23, 2025

King Jesus' Children have been adopted into King Jesus' Royal Family. He wants you to mature into a person with a character forged of iron so you can be trusted to use King Jesus' Authority to rule and reign over Earth as if you are acting as His hands, feet, and voice. This is a big job and not everyone is willing to make millions of good, small decisions, so they can be trusted to make good, big decisions when older. Only those who persevere to the Summit of Mount Jesus will be trusted to use His Authority like He would.

Anyone who has been heading in the wrong direction need not fear being left behind. Our King is waiting for you to call out to Him. His Fullness Kingdom is like a ship that will eagerly turn towards you to grab your lifted hands to help pull you aboard. Do not be afraid. All who climb aboard will live for a long time on Earth. If this New Beginning is happening when you are 100-years-old, then King Jesus is right on time.

To Co-Rule like King Jesus would, we need to think, act, and care for others like He does. To learn how to do this, We will be revealing soon our Fullness Adventure of Alignment that He is inviting you to play with Him! While some things will be delightful and easy, there are also regular cycles of GRIT testing. To get through, you must rely on your Faithful and Expert Guide, King Jesus, and His Executive Officer (XO), Holy Spirit, who will always remind you to keep your eyes on Jesus.

Papa GOD will give you Their plans and purposes for your life. To know that they are from GOD, they must be so mind-boggling **AMAZING** that you realize you can only accomplish them with our Good GOD'S help. Our Papa GOD and King Jesus dreamed of you and designed your plans for you to accomplish before Earth was set on her foundation.

Our King Jesus' Fullness Kingdom encompasses our entire Earth. His Fullness Kingdom is one mountain with our King Jesus at the Summit. There are many paths to the summit that include family, caregiving, technology, marketplace, governance, arts, story telling, coaching, science, exploration, media, education, and more. Every path, shortcut, or side-adventure will have an abundance of opportunities to care for others orchestrated by Holy Spirit, our King Jesus' Executive Officer. Our King Jesus is in every person we interact with, so every interaction is an opportunity to show our King Jesus how much we love Him and are willing to represent Him well as His Co-Ruler.

As you focus on King Jesus and learn to trust Him to guide you around or through every challenge, you will become aligned with King Jesus' Four Peas (His plans, His passions, His priorities, and His perspective). This will result in you being forged like iron into a young person of immense character who will Agapao Love, Lift, Protect, and Care for others like our King Jesus does.

XO, Royal
