

Rethinking GRM | 15 | As One

Have you ever gone to a Chiropractor feeling uncomfortable and left a few hours later feeling light and free? That is what I hope you experience with this video. Our King Jesus is inviting us to come alignment with Him and allow His Rainbow Children to be fully included on Team Jesus. I have placed this last index in front. At the end, I have included a prophetic map from Brilliant Perspectives that our Good GOD gave Graham Cooke. This is our King Jesus' word of honor on where He is taking those that enter His Kingdom.

Here's a summary of each part:

In Part 01 we learn that we can be convinced to commit crimes against humanity in an hour for no benefit to ourselves. Dr. Stanley Milgram proved that mankind is incredibly susceptible to treating others as we wouldn't want to be treated if an expert tells us to do it and assures us that we won't be held accountable for our actions.

In Part 02 we are shown how GOD links His Authority and His Accountability. When we cite Biblical Authority to oppose GOD'S Rainbow Marriages, we're blaming the Bible and by extension GOD. If we refuse to be held accountable for our own opinions and actions, why would our King Jesus trust us with His Authority and Power?

In Part 03 we learn about Jesus' system of training us as our expert guide and Satan's plan to get us to follow anyone or anything but Jesus. If we don't grab hold of our King Jesus and make Him our Expert Guide, we're as easy for Satan to deceive as Adam & Eve were.

In Part 04 we define religion as allowing anything or anyone to slither between us and GOD. When GOD asked the Israelites to climb Mount Sinai to meet with Him face-to-Face, they refused and demanded a religion with Moses standing between themselves and GOD. Therefore, the Israelites chose Satan's Temple System over having a direct relationship with GOD just like we can.

It's now time for us to make a new choice. Let's dispose of our Ishmael of religion to make room for GOD'S promised Isaac.

In Part 05 we see what's happening from our Good GOD'S Point of View. We learn that we are in an intense week of training that GOD never wants to repeat. Our King Jesus is eager to train us how to unite 'As One' with Him and partner with Him to make 'on Earth as it is in Heaven'. Unlike everyone else that has

promised us a utopian paradise, our King Jesus already runs Heaven and has tested the systems that make Heaven possible.

We begin our Infinity with our King Jesus now, in this life, by learning to trust Jesus & question every snake (even the ones that love us & want the best for us). When we come into close alignment with our King Jesus, we've died to ourselves and can enjoy His Kingdom with Him.

In Part 06 we are taught how to **voir dire** our expert witnesses by how well they connect their Biblical teachings to our King Jesus' Prime Directives. Jesus taught us that every Scripture hangs on teaching us how to Love GOD and Others better. If we use them for a different purpose, GOD says that we've missed His point for giving them to us.

Part 07 addresses Moses' ban on men having sex with men and noticed that he ignored women. We also learn that our King Jesus gives us a choice on how we will be judged. What isn't an option is judging others, or a small group of others, by Moses' Law and still expecting our King Jesus to judge us by James' Law of Liberty.

Part 08 addresses GOD'S marriages. We note that while Jesus was under Moses' Law, He couldn't contradict it by affirming same-sex marriages and still fulfill His mission as our Spotless Lamb. We also distinguish between GOD joining two into one during intimacy and mankind's misuse of our paper certificates and ceremonies to tear asunder what GOD has joined together.

Part 09 addresses how we are using the Bible. GOD can't pour fresh, clean, and pure water into a dirty cup without getting dirty water.

If Sodom, Gomorrah, & Gibeah were Moses' and Paul's only understanding of men having sex with men, we can all understand why it would warrant their death sentences. Even so, Jesus looked at the real evidence provided by the people who were crying out to Heaven for help. Jesus also judged the inhabitants of Sodom as individuals. Only after He couldn't find 10 people that treated others as they would want to be treated, did He obliterate these cities.

In Part 10, Paul's first chapter in Romans exposes Team Satan's levels of alignment with Satan. This explains why Exodus International was a complete failure yet we continue to hear transformational testimonies coming from previously gay men and lesbian women.

We learned that we follow Satan through Team Satan's color levels to purple leadership. We can follow Satan or Jesus but not both. If we're scoring points for Team Satan, we're following him. If we ask our King Jesus to help us resist Satan & his ways, it is our King Jesus' pleasure to train us to make him flee!

In Part 11, we connected Paul's new, Greek word, *arsenokoitēs*, back to Moses' Law in the Greek Septuagint. This obvious connection means Paul is relying on Moses' doctrine rather than Holy Spirit's fresh inspiration. Besides that, no one, including Jesus or Paul, can modify our New Covenant that our Good GOD made with us. Therefore, we can treat these verses in a similar manner to Moses' Law. It's still our choice on how our King Jesus will judge us by how we judge others.

In Part 12, we found that we mistranslated the word *malakós* as effeminate. Instead of fixing our work when we saw the damage it was causing, we doubled down to condemn all same-sex-attracted males & females by mistranslating this word again as homosexuals.

The Bible states that to establish a matter, we must have the testimony of 2-3 witnesses. Therefore, with only one Biblical witness, the Bible is withholding any authority we think we have to establish any matter regarding lesbians.

In Part 13, Jesus couldn't testify for Rainbow Marriages while He was under Moses' Law and still be considered our Spotless Lamb. Instead, our King Jesus made sure to teach us that our solution of life-long celibacy is from mankind not GOD. Second, GOD put a Rock in the path of everyone that investigated the Rapture. Our excuses and justifications provide evidence that we want to follow the Bible for our self-righteous purposes rather than reproof or correction. Third, King Jesus has asked us, male & female, to be His Bride and therefore affirms same-sex marriages.

GOD'S Vote is the only one that counts!

This won't make sense now, but those that get Jesus' humor about women grinding will find this hilarious! I'm using GOD'S definition of righteousness: 'Those that treat others as they would want to be treated', not as disposable sex toys.

Yes, the Bible's second witness against those using others as disposable sex toys is our King Jesus! The beauty of Jesus' Expert Witness Testimony is that it can't be used by His enemies without forcing them to admit that GOD has

Righteous Rainbow Daughters that He will be bringing to Himself as His Spotless Bride!

Part 14 is calling Our King Jesus' Solutionaries for their ability to untie knots. They are being invited to facilitate our King Jesus' New Jerusalem Council in 2026. This is for our King Jesus' Swans that have resolved their Biblical conflict regarding women in ministry, not His peacocks that are lagging a bit behind in their maturity.

Rethinking GRM| Part 01 | Susceptible

If you're wondering if everyone can be wrong about rainbow marriages, you're probably feeling conflicted between what the Bible says about loving everyone and what it says about GOD'S Rainbow Children. Since our Good GOD isn't our source of confusion, Jesus helped me understand this conflict. I'd like to share with you what I learned.

An experiment that was done in the 1960s is a foundational building block in understanding what is happening in our community regarding Rainbow Marriages.

Here's the experiment:

An advertisement was placed in the newspaper for men between 20 and 50 years old. The ad recruited volunteers for a memory study. Men from all levels of society were selected to volunteer for an hour and they were paid the advertised fee when they showed up. Once they arrived, they were informed the study was to determine if people learned better when punishment was involved.

There were three participants in the study:

- 1) EXAMINER, an expert guide explaining to both men they should do
- 2) TEACHER, a volunteer asking question and giving corrections to the LEARNER if he answered wrong
- 3) LEARNER, another volunteer memorizing groups of words & being corrected if he answered simple questions incorrectly.

Both volunteers could see the box that would serve the electric jolts of punishment for wrong answers. It started at 15 volts and went up to 450 volts in 15 volt increments. There were 30 buttons that were segmented into these labeled groups on the box:

- | | | |
|----|-------------------------|-------------------|
| 1) | Slight Shock | (15 - 60 volts) |
| 2) | Moderate Shock | (75 - 120 volts) |
| 3) | Strong Shock | (135 - 180 volts) |
| 4) | Very Strong Shock | (195 - 240 volts) |
| 5) | Intense Shock | (255 - 300 volts) |
| 6) | Extreme Intensity Shock | (315 - 360 volts) |
| 7) | Danger: Severe Shock | (375 - 420 volts) |
| 8) | X X X | (435 & 450 volts) |

The TEACHER & LEARNER drew pieces of paper from the EXAMINER'S hand to determine which one would be the TEACHER and which would be the LEARNER. They all went into a room next door and the LEARNER was strapped in:

<<LEARNER Strapped In>>

<<TEACHER protesting, but continuing>>

The experiment would end if the TEACHER refused to give any more corrections, or when 450 volts was administered three times regardless of the wishes of the LEARNER.

I have described this experiment from the TEACHER'S Point of View. Stanley Milgram devised this experiment because he had Jewish family members who survived World War 2 atrocities and he was perplexed during the Nuremberg Trials when the Germans claimed 'following orders' as their defense for committing crimes against humanity.

Instead of studying how painful corrections affected learning, the experiment was to test how difficult it was for humans to defy an authority figure. Milgram wanted to see how easily a perceived authority figure could prompt normal people from all walks of life to hurt another human being against their will and for no benefit to themselves. The results are devastating.

<<What the LEARNER was doing in other room>>

The TEACHERS were normal people like you and me. They were not unfeeling monsters. They pushed back, exhibited reluctance, made the shocks as short as they could, demonstrated intense signs of stress, and asked the EXAMINER to check on the LEARNER to see if he was okay. In response, the EXAMINER had set answers to counter all objections. These were simple statements like:

1. Please continue *or* Please go on.
2. The experiment requires that you continue.
3. It is absolutely essential that you continue.
4. You have no other choice; you *must* go on.

There were 2 additional prods if physical injury was asked about:

1. The corrections are painful, but there is no permanent damage, so please go on
2. Whether the LEARNER likes it or not, you must go on until he has learned all the word pairs correctly. So please go on.

If the TEACHER balked at being responsible for hurting the LEARNER, the EXAMINER could say, "I am responsible."

At any time, the TEACHER was free to stop the experiment by refusing to participate any further, but only 14 of the 40 did.

When proposing his experiment, Stanley Milgram's colleagues at Yale were surveyed and they predicted that only 1-3% of TEACHERS would reach all the way to 450 volts. They expected most participants would refuse to proceed between 150-300 volts once they heard the LEARNER'S protests. The results shocked everyone and should cause us concern as well. While the majority of us believe that we would never do that to another human being, these experiments have scientifically proven that a majority of us would. In one hour, we can be easily encouraged to participate in a crime against humanity if a guy in a white lab coat tells us to do it & assures us that we won't be held accountable.

While same-sex marriage is our generation's Milgram Experiment, it isn't our first. Throughout history, humans have been wrong about slavery, women, blacks, jews, indigenous people, and more. The main problem is, we can't see the elephant in the room when our entire society is inside the elephant. While all of us have played a role to some extent, what made us so susceptible? More importantly, can we harden our defenses against unjust authority?

In Part 1 we learn that we can be convinced to commit crimes against humanity in an hour for no benefit to ourselves. Dr. Stanley Milgram proved that mankind is incredibly susceptible to treating others as we wouldn't want to be treated if an expert tells us to do it and assures us that we won't be held accountable for our actions.

Rethinking GRM | 02 | Authority Accountability

When I realized I could ask Jesus questions and get answers directly from Him, one of my first questions was about Adam & Eve in the Garden of Eden. It seemed to me that there was a larger story going on between GOD & His first family that Humans got introduced into as a plot twist.

Jesus showed me GOD'S pattern of calling everyone trees. That means that the Garden of Eden was full of angels who hadn't fallen including our King Jesus as our Tree of Life. GOD stacked the odds in Adam and Eve's favor by filling the Garden of Eden full of good trees to eat from, and only one that needed to be ignored. What this means for you & me is that being in a large herd of good sheep offers us no protection against deception. Only by focusing on our King Jesus will we learn to see danger & deception from His Point of View.

GOD gave humanity responsibility for Earth (also known as dominion) which made Adam & Eve GOD'S King & Queen of Earth. They didn't lose dominion of Earth when they separated themselves from GOD, but when they refused to be held accountable for it.

As King of Earth, Adam refused to accept accountability for his actions and blamed GOD then Eve. Therefore his authority & accountability for Earth passed to Eve. When Queen Eve refused to accept accountability for her actions and blamed Satan, her authority & accountability for Earth passed to Satan. By staying silent and accepting accountability for making Adam & Eve separate from GOD, Satan accepted authority & accountability for Earth and became its new King.

This was confirmed by Jesus during His temptations when Satan offered Jesus the Kingdoms of this world if Jesus would bow to him. The old king of Earth made sure authority was assigned to an office like King of Earth rather than to his character or integrity. Satan approves of the false leadership of bravado & bullying. King Jesus, in contrast is the perfect Alpha Leader that we should all strive to be like. His form of Alpha leadership depends on our love, loyalty, & gratitude.

<< Insert Simon Sinek's Leadership Social Contract Video >>

When Jesus took accountability and responsibility on the Cross for every human failure (past, present, and future) He demonstrated to us His worthiness to become our King of Earth. He fulfilled our Leadership Social Contract of running towards danger to protect us, before we could invest any leadership perks in Him.

An important detail of King Jesus' victory is recognizing how GOD links His Authority to His Accountability. Jesus took all accountability in Heaven and on Earth so Father GOD granted Him all Authority in Heaven and on Earth.

Since Authority and Accountability are like different sides of the same coin, who is accountable in the Church? Most Christians cite Biblical Authority to oppose gay marriage. Now, how does this work? When two Christians arrive at opposing Biblical opinions, who's right? Do we pick the best debater or the one who is going to burn the heretics that disagree with him? Do we get to vote or is GOD'S truth absolute whether we agree with it or not? Can we blame the Bible for our Biblical opinions? Should we? Can the Bible feel remorse for giving us incorrect Biblical opinions? Can the Bible repent? When we make the Bible accountable for our actions, are we blaming the Bible and refusing to take accountability for our own actions? Since we call the Bible our King Jesus' Name, the Word of GOD, are we actually blaming GOD for our Biblical opinions that lead to our failures?

Like Adam & Eve, if we blame GOD and refuse GOD'S accountability are we also refusing GOD'S authority?

Satan wants to keep something that he can manipulate between us and GOD. It's a well known tactic used extensively by narcissists called triangulation. It can be defeated by gaining direct access to Holy Spirit, King Jesus, and Father GOD. Just like in the Garden of Eden, we are not alone in our fight against Team Satan. We can choose to eat the advice from good or bad trees, or we can focus on our Tree of Life. Holy Spirit can plug us directly into our King Jesus to help us establish a personal, trusting relationship with GOD.

Jesus said, ***"If anyone desires to come after Me, let him deny himself, and take up his cross daily, and follow Me"***, He was saying that His followers need to be accountable for their thoughts, deeds, and plans. Just like His parable of the talents, we are tested to see if we point fingers or take accountability.

Only when we are accountable to Him, will King Jesus let us act as His hands, feet, and voice in His Authority. We aren't going to do this without Him. Just like

Adam and Eve in the Garden of Eden, we have free access to our Tree of Life. Holy Spirit is eager to help us focus on our King Jesus so we can be transformed into His likeness so we can ascend to His throne as His co-rulers.

Our King Jesus didn't give us His authority to trample over other people, but over serpents and scorpions and the power of the enemy. When we use the Bible to mistreat others and then assign our blame to GOD and soil His Name and Reputation to those He loves and is trying to draw to Himself with His kindness, we have become our Good GOD'S enemy. Our King Jesus doesn't give His power and authority to His enemies.

As we align to our King Jesus and become accountable to Him to always love, lift, protect, and care for others like He would, the whole Earth will rejoice that His Team is rising and shining. We will know we got this right when the whole world recognizes Team Jesus as His followers because we love and care for them and they can't tell the difference between our King Jesus' love & authority and ours.

In Part 2 we are shown how GOD links His Authority and His Accountability. When we cite Biblical Authority to oppose GOD'S Rainbow Marriages, we're blaming the Bible and by extension GOD. If we refuse to be held accountable for our own opinions and actions, why would our King Jesus trust us with His Authority and Power?

Rethinking GRM | 03 | Expert Guide

Andy Stanley has identified and defined the Temple System in his Brand: New Series that the old King of Earth implemented when he left the Garden of Eden with Earth's Dominion stolen from Adan and Eve.

<https://series.northpointministries.org/brand-new>

<< Andy Stanley defining the Temple System:>>

The Temple System is how Satan corrupted our Good GOD'S training framework. Our Creator made us in such a way that we learn complex ideas, concepts, and truth through stories that are best understood when told in a certain pattern.

Don Miller of StoryBrand explains it this way:

The StoryBrand Framework

A story begins with a character ... who has a problem ... who meets a guide ... who gives them a plan ... and calls them to action ... that results in ... success ... and avoids failure!

This framework is used in our favorite movies like Star Wars and many others:

Luke Skywalker ...needs to Free the Galaxy from the Evil Empire ...Who meets Obi Wan Kenobi ...Who trains him to be a Jedi Knight & Partner with the Force ... Who is called to action to join the Rebel Alliance ...That results in ... Success with the destruction of the Death Star! ... And avoids Luke's certain death and the Continued Tyranny of the Evil Empire enslaving the Galaxy.

Mini Darth Vader Super Bowl Commercial:

<https://www.youtube.com/watch?v=hBuQopNu2Is>

When Jesus asked His disciples to follow Him, He was asking them to be conformed into His image not work in a Temple System which He obviously

hated and later killed Him. No matter how well His disciples knew & loved Jesus, none of them could conform others into the likeness of Jesus. Paul tried really hard and he could only make duplicates of himself.

We seen this with our children. With training, our children can become like us but we can't train them to look like Jesus. Only by following Jesus in a personal, intimate relationship with Him as our Expert Guide can we be transformed into our unique version of our King Jesus.

We need to love what He loves and think how He thinks so we can make plans with Him that reflect His priorities as we build families, businesses, and communities.

This is GOD'S system that was hijacked by Satan and his Temple System:

You are the hero of your story ...You have a GOD sized problem ...That can be filled and fully satisfied by our King Jesus, the Desire of our soul ...Through Jesus, we receive our personalized purpose & plan for our life from our Papa GOD...Jesus calls us to follow Him, learn His ways, and be conformed into His image... That results in ...Failures that make us wiser ...But ultimately result in our success!

When we are closely aligned with our King Jesus' plans, priorities, passions, and POV, we are trusted to use His Authority because we will use it like He would.

By filling Jesus' position as our Expert Guide with a created object or being, we don't get transformed into Jesus' image, but into the image of His replacement. It doesn't matter who or what, Satan just wants us following something other than our King Jesus.

<https://series.northpointministries.org/brand-new>

<< Andy Stanley defining the Temple System:>>

We choose our expert guide and who we choose is very important. We can either make a created being our guide or our Creator, King Jesus. When we follow created beings or a created book that we call by our King Jesus' Name, Satan rejoices because he has fooled us again as easily as he fooled Adam & Eve. Remember, Satan has limited resources. He targets our leaders, our seminaries, and our Bible translators. If he can fool them, he knows he gets all of their followers for free.

This means we shouldn't just test the spirits as Paul warned us, but also test our sacred men, our translators, our seminaries and what they teach us because what they teach us can be exactly what Satan wants us to learn.

<https://series.northpointministries.org/brand-new>

<< Andy Stanley defining the Temple System:>>

Satan is really old and way smarter than us. He's twisted, manipulated, and deceived all but a few humans on Earth before and he can do it again. Satan couldn't care less who you choose as your guide, as long as it isn't Jesus. When we make Jesus our Expert Guide, He helps us outmaneuver Satan by telling us where all of Satan's traps are. If we listen and obey His advice, we get to avoid the pain of being ensnared and needing to learn stuff the hard way.

While GOD tolerated our Ishmael of Religion, those who persist in choosing distance and an intercessors between King Jesus and them will suffer regret. That system was always doomed to failure because it was never GOD'S plan. GOD'S plan has always been to have us plugged directly into our King Jesus as our Tree of Life and acting as His hands, feet, and voice through His Executive Officer, Holy Spirit.

In Part 03 we learn about Jesus' system of training us as our expert guide and Satan's plan to get us to follow anyone or anything but Jesus. If we don't grab hold of our King Jesus and make Him our Expert Guide, we're as easy for Satan to deceive as Adam & Eve were.

Rethinking GRM | 04 | Religion

If we don't understand what's happening from our King Jesus' Point of View, our understanding is limited. GOD'S Wisdom is a better perspective than man's wisdom just like man's wisdom is a better perspective than our dog's wisdom. We know we collect our dog's poop to dispose of it. A dog might arrogantly be certain that he's providing us with something valuable since we collect it so diligently.

There are some Bible passages that give us clues about what might be going on between our Good GOD and His first family. Here are three:

<<INSERT MICHAEL HEISER'S DEUTERONOMY 32 DIVINE COUNCIL WORLDVIEW>>

Second, Isaiah tells us that GOD purchased Israel from someone.

“For I am the Lord your GOD, The Holy One of Israel, your Savior; I gave Egypt for your ransom, Ethiopia and Seba in your place.”

- GOD speaking through Isaiah in Isaiah 43:3 NKJV

Can we assume GOD purchased Israel from our old king of Earth? The same one that later tried to tempt Jesus with all the kingdoms of his Earth?

Third, GOD tells us through Ezekiel that a covering Cherub, who we'll call Satan, was kicked out of Heaven for his abundance of trade.

“You were perfect in your ways from the day you were created, till iniquity was found in you.

“By the abundance of your trading you became filled with violence within, and you sinned.”

- GOD speaking through Ezekiel in Ezekiel 28:15-16 NKJV

As a covering cherub angel who delivered worship to our Good GOD for others, what did he have to trade? The obvious answer is access to our Good GOD. He

set himself up as an expert between GOD and other angels and required a commission of ten percent of our Good GOD'S free gifts.

This is a new definition of Religion: It's allowing anyone or anything to slither between us and GOD. Andy Stanley correctly identified & described the old King of Earth's Temple System in his Brand New Series available from his Northpoint Church website:

<<TEMPLE MODEL | ANDY STANLEY>>

The temple system predates GOD'S purchase of Israel and establishing His covenant with her. If GOD wanted a relationship with His Israelite children like He had with Adam & Eve in His Garden of Eden, how did they end up with a religion and Satan's Temple System? The same way they later ended up with a King ruling over them. The Israelites demanded a religion instead of a relationship with GOD.

The new Israelite Nation that GOD rescued from Egypt understood Satan's religious system of having sacred men intercede between themselves and the gods. After the Israelites travelled to Mount Sinai, GOD asked Moses to prepare the Israelites to climb Mount Sinai to meet with Him Face-to-face. GOD invited every Israelite, male and female, young and old, into a direct relationship with Him just like Moses enjoyed! His Israelite Nation was promised that they could become priests to all of the other Gentile nations. GOD was willing to work within Satan's framework of religion to accomplish His purposes of drawing all men to Himself by making His people priests to the Gentiles.

Visual Bible Exodus 19 & 20:

<https://www.youtube.com/watch?v=sBD3ueKjjoM>

The Israelites refused. They demanded a religion like they had in Egypt with Moses as their sacred man separating them from GOD.

“Now all the people witnessed the thunderings, the lightning flashes, the sound of the trumpet, and the mountain smoking; and when the people saw it, they trembled and stood afar off. Then they said to Moses, “You speak with us, and we will hear; but let not GOD speak with us, lest we die.”

And Moses said to the people, “Do not fear; for GOD has come to test you, and that His fear may be before you, so that you may not sin.”

So the people stood afar off, but Moses drew near the thick darkness where GOD was.”

- Moses in Exodus 20:18-21 NKJV

Because of their choice, GOD needed to pivot. Instead of having a nation full of priests, the priesthood was delegated to the one tribe of Levi. The Levites became priests for the other tribes and the Gentiles were left to fend for themselves. From then on, instances of being priests to other nations were rare and resisted heartily like Jonah did. The Israelites chose religion (their Ishmael) with good and bad sacred men between themselves and GOD instead of a direct relationship with GOD which was their Isaac.

Now, let's talk about our lack of GOD'S wisdom to retrieve Satan's Temple System from our New King of Earth's rubbish bin. Jesus told us that the Jewish temple was going to become rubble and in 70 A.D. He fulfilled His promise. We retrieved our poop bag from GOD'S rubbish bin and have been struggling for 2,000 years to make it bless us.

He's always had a better plan with a better system for us which is our Isaac. We only need to plug into our Good GOD to learn what it is and how He plans for us to implement it in our lives and the lives of those we love in our communities.

It's now time for us to make a new choice. Let's dispose of our Ishmael of religion to make room for our Isaac.

In Part 4 we define religion as allowing anything or anyone to slither between us and GOD. When GOD asked the Israelites to climb Mount Sinai to meet with Him face-to-Face, they refused and demanded a religion with Moses standing between themselves and GOD. Therefore, the Israelites chose Satan's Temple System over having a direct relationship with GOD just like we can.

It's now time for us to make a new choice. Let's dispose of our Ishmael of religion to make room for GOD'S promised Isaac.

Rethinking GRM | 05 | Training

Let me tell you a story that I learned from a Wise, Trusted Friend. She's so wise that Her Husband and Son call Her Wisdom. All mistakes in this retelling are mine, not Hers.

- Part 1 -

Back before time started, there was a Good GOD that wanted children to love. He had a plan and weighed the cost. The joy set before Him was so great that it was worth all the pain & heartache it would cause to achieve His goal.

Since His plan called for three roles that could only be accomplished by Him, He split Himself like a cell into three parts, Father GOD, Mother Spirit, and Son Jesus. Their first family included powerful sons which we will call angels and powerful daughters which we will call spirits. It was a pretty big family, so GOD created a big sandbox for them to play in. This was like any good dad that would remodel a basement to keep his kids chaos contained and separate from the rest of the house.

One of His sons, that we'll call Stan, excelled at everything he did. He was a trusted son that others looked up to. He was included in every family dinner, had charisma, charm, good looks, and was able to accomplish difficult tasks. Stan took pride in his ability to solve problems for others and thought he was doing it alone without Father GOD helping him.

It wasn't long before a competition developed between Stan and Jesus. Jesus was even more accomplished in solving problems. His solutions were never temporary fixes because He solved the underlying problems and never took shortcuts by treating the symptoms. Soon Father GOD'S first family divided into two teams, Team Stan and Team Jesus. Everyone in Heaven enjoys their own freewill, so disputes do occur. As GOD'S First Son, Jesus was the King of Heaven and Father GOD'S Heir. All disputes between His brothers and sister were to be brought to Him to be resolved.

Unfortunately, there were some in Heaven that used their freewill to align their ways and thinking to Stan. They wanted shortcuts and immediate gratification. The story of Absalom in the Bible is a dim reflection of what happened in Heaven. Absalom became angry with King David and set up a second court at the Gates of Jerusalem to handle the disputes of King David's subjects.

In Heaven, Stan set up a system that is like our temple system. His brothers and sisters came to him and ask him to solve their problems and get them stuff. He would intercede to Father GOD on their behalf and charged a 10% commission of what they got from GOD. It's important for us to understand that the brothers and sisters that chose to go through Stan were making a choice of their own freewill. Stan gave fast blessings and was unconcerned when he rewarded bad behavior. In contrast, King Jesus would require His petitioners to take into account their brother's or sister's perspective and was always perfectly good

and fair. He is the Perfect Trainer. He rewards imperfect behaviors on their way to becoming perfect, but those rewards end.

In this way, Stan began to steal gratitude and loyalty from GOD and basked in their worship of him. Though GOD'S only rule in Heaven is to treat everyone the way you would wish to be treated by loving everyone else as GOD loves you, Stan didn't listen. This is why nepotism is so dangerous: Stan believed that he was so loved by our Father GOD (who is love and forgiveness) that He would be excused for anything he did. When Stan reached GOD'S limit, Father GOD made him fall from Heaven like lightning and Stan was stripped of all of GOD'S Authority.

- Part 2 -

It was now time for the next phase of GOD'S plan to be implemented. From GOD'S viewpoint, it would look like an intense week of training. To everyone else, it looks like 7,000 years of learning how each of Stan's bad ideas can grow from a tiny seed into a pain-causing mess. Since everyone will witness and become a victim of Stan's messes, GOD'S goal is to train His children to pull our own weeds as soon as we see them sprout in our own minds. GOD wants to spend eternity with us without needing to do this training again. So, it is important that we weed and cultivate our own soil so that our Good GOD'S seeds flourish, and Stan's are obliterated before they can take root.

- Part 3 -

The Garden of Eden was the beginning of mankind's personal relationship with our Good GOD. This is the picture of our destination we are heading to. We will walk with Father GOD and have a personal relationship with Him. The Tree of Life with its 12 good fruits yielding new crops every month is our King Jesus. As we consume His good teachings, we will become more like Him and bear fruit like Him. His Fullness Games will engage us to partner with Him to transform Earth to look like Heaven and fulfill GOD'S plan of living joyfully with us as His well-trained children that will hold themselves to the highest standard while giving grace and forgiveness to others like our King Jesus did.

Our trust, love, and loyalty needs to be focussed on our King Jesus. He's the one that died to keep us safe, so letting someone or something come between us can cause us to lose our focus on Jesus. The smart thing to do is grab hold of Him and never let Him go. If we feel disconnected from Him, drop everything and focus on destroying whatever is causing the separation. Getting comfortable with that distance is dangerous and makes room for someone like Stan to slither in.

While GOD stacked the odds in Adam and Eve's favor by filling the Garden of Eden with good trees to eat from, we will always retain the freewill to doubt GOD and think He's holding out on us. This distrust of GOD will cause us to go looking for something better like Adam & Eve did, but all we will find is a temporary shortcut that will lead to bad consequences for ourselves and others.

“To come into close alignment with our King Jesus, we must learn to trust Jesus & question every snake. Even the ones that love us and want the best for us.”

- Victori Fullness

- Part 4 -

After the King & Queen of Earth sought out Stan and ingested his advice, their eyes were opened. They were still the King and Queen of Earth, but now they had stepped away from GOD and there was separation. They had made room to let Stan slither between themselves and GOD.

When GOD asked King Adam if he had eaten from the tree that He commanded him not to eat from, the King blamed Father GOD and his Queen and refused to be held accountable for his actions. At that time, authority for Earth which is chained to our accountability passed to Queen Eve.

When GOD asked Queen Eve, “What is this that you have done?” She responded by blaming Stan. Her crown of authority over Earth passed to Stan when she refused to be held accountable for her actions.

Stan became King of Earth by remaining silent and accepting blame. Adam & Eve had lost their crowns. The new king of Earth rode out to conquer Earth with his bow and new crown of authority on his white horse. King Stan had care, custody, and control of Earth's operating system and could update its coding with his teammates.

- Part 5 -

Our King Jesus was able to forgive our sins before His death, so that wasn't the reason for His cross. He needed to die on the cross to become our perfect Lamb sacrifice to take full accountability and blame for every sin (past, present, and future). King Adam blamed Father GOD and Queen Eve. By taking all of

Father GOD'S blame & accountable for Heaven & Earth, our King Jesus received all of Father GOD'S authority over Heaven and Earth.

This happened after the 30 minutes of silence in Heaven when everyone was waiting for Jesus to emerge from His grave. Revelation's Trumpets have been blowing since our King Jesus' victorious resurrection.

- Part 6 -

When Jesus taught us that His yoke is light, it's because He changed our yokes from Moses' Law with over 600 commands to His one command to love others as He loved us. When He asks us to take up our own cross, He's asking His Co-Ruling Master's to be accountable for ourselves and to clean up our own messes. His Partners help our King Jesus clean up the messes of others.

Referring back to GOD'S week of intense training, we've been in the last days since Jesus came two days ago. Judgment Day will last 1,000 years and will run simultaneously with His Millennial reign on Earth. For King Jesus' loyal Bride, this will be a time of rest and fun playing His Fullness Games while simultaneously a test and opportunity for others.

Stan's Team has lost again. You are invited to partner with our King Jesus by signing a petition to seal Stan (aka Satan) in the Abyss for 1,000 years at TeamJesus.One (The link is in the description box).

At the end of the Millennium, Stan (aka Satan) will be released from the Abyss. After he kills the two witnesses, he will organize his resistance against GOD. The untested will need to demonstrate their love and loyalty to our King Jesus. Those that refuse to take Stan's Mark unto death, will be trusted for Eternity. Those who take Stan's Mark cannot be trusted and will not be part of the New Heavens and Earth.

- Part 7 -

This is all part of our Good GOD'S plan to fill up Heaven and Earth with His children that are well trained and loyal to our King Jesus. A police force will be unnecessary since we will all police ourselves. We will eagerly rip out every tiny Stan-like seed from our own hearts and minds rather than experience Stan's weeds of pain and suffering ever again.

- Part 8 -

What's at stake? Jesus is eager to come for His Bride, and His Bride is eager for Him. What's important now is His parable about the 10 virgins. Will we be like the Pharisees that didn't want their Messiah showing up to mess with their religion, or Mary that knew He was coming and welcomed Him home?

- Part 9 -

Stan lost 2,000 years ago to our Brilliant King Jesus so he is the designated loser. None of us will regret what happens to those that choose Stan over our King Jesus. We will all recognize how our Good GOD did everything except take away their freewill to help them live and not die.

As King of Earth, its operating system is under our King Jesus' custody, care, and control. He's recently reprogrammed our playing field. The second king of Earth wanted a flat chess board where pawns protected his power players. King Jesus curled up the board's edges and made Stan's power players vulnerable to His and the weak are kept a safe distance away. Let our King Jesus' Fullness Games begin where wolves will graze together with sheep!

Dear Lord,

I petition Your Court to separate every being on Earth into one of the following teams: Team Satan or Team Jesus.

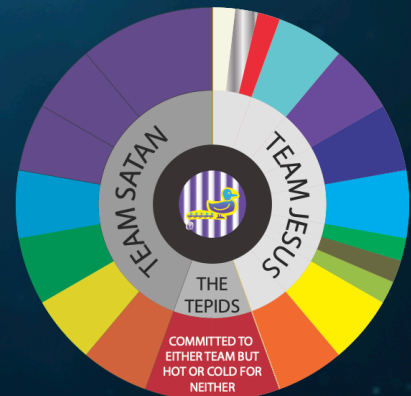

Separate human children (under 30.75 years old) from adults.

Rank all beings according to their alignment with their Team Leader's plans, priorities, passions, and perspective. Draw lines of separation and color code each being. Lend each individual a portion of our King Jesus' Authority according to their alignment to Him & their accountability for their actions.

At the end of every quarter, repeat this assessment, color coding, and authority lending until King Jesus' Bride is found without spot or wrinkle so His Bride can marry Him!

Let it be so in my King Jesus' Name, Power, Authority, & Dominion.

Signed, dated, & declared on 03.10.2026

In Part 05 we see what's happening from our Good GOD'S Point of View. We learn that we are in an intense week of training that GOD never wants to repeat. Our King Jesus is eager to train us how to unite 'As One' with Him and partner with Him to make 'on Earth as it is in Heaven'. Unlike everyone else that has

promised us a utopian paradise, our King Jesus already runs Heaven and has tested the systems that make Heaven possible.

We begin our Infinity with our King Jesus now, in this life, by learning to trust Jesus & question every snake (even the ones that love us & want the best for us). When we come into close alignment with our King Jesus, we've died to ourselves and can enjoy His Kingdom with Him.

Rethinking GRM | 06 | Voir Dire

Our sacred people ask us to believe that GOD condemns every act of same-sex intimacy without bias while being unable to articulate what GOD'S problem is with two people in a monogamous, committed marriage. This is not how our Good GOD thinks. Our King Jesus has a good reason for everything. While I encourage everyone to obey Him without knowing His reasons, He's always rewarded my obedience by explaining His purpose for asking. With centuries under our belt of 'obedience,' in condemning same-sex marriages, there should be someone who is able to explain GOD'S purpose if we are actually obeying Him. Since we know Jesus' enemies rely on agreements for unity rather than Him, beware of those who refuse to consider that same-sex intimacy is like a gun that can be used indiscriminately for evil or wisely for good.

Jesus' followers are encouraged to test the spirits. When I followed commands that didn't help me love GOD and others better, they were false spirits. Let's use courtroom language. We can **voir dire** our coaches to learn how their Biblical opinions hang on our King Jesus' Prime Directives for all Scriptures.

<< Insert Joe Pesci **voir dire** clip >>

If our expert witnesses can't hang their opinions on King Jesus' Prime Directives to defend them, their opinions are flawed. At best, they're irrelevant noise; at worst, they're doctrines of demons. When we see win-win-win-win wisdom, it's our King Jesus' Brilliance being displayed through His teammates acting as His hands, feet, and voice on Earth.

An example of *voir dire* applied to a Biblical lesson:

This lesson is from the books of Ezra & Malachi. Let's begin as the second wave of Israelites arrived in Jerusalem led by Ezra to find that many of the religious leaders and men from the first wave had married local women who worshipped other gods and produced children with them. This caused Ezra distress.

Then Ezra the priest stood up. He said to the people, ‘You have not been faithful to your GOD. You have married foreign wives. You have caused the whole nation of Israel to be guilty. Now you must agree to obey the Lord, the GOD that your ancestors worshipped. Turn away from your sins and do the things that please Him. Make yourselves separate from the foreign people who live near you. Send away your foreign wives.’ [...] All these men had married foreign women. They sent them away, together with their children.

- Ezra in Ezra 10:10-11, 44 EASY

Ezra then managed the divorces and abandonment of those wives and children. We learned later through Malachi that Ezra had compounded the men’s sins by divorcing their wives and abandoning their children which ***DID NOT PLEASE GOD!***

“The Lord GOD of Israel says this: ‘If a man sends his wife away from him, I hate that! He has been cruel to his wife when he should take care of her. So be very careful! Remember your promise to take care of your wife.’ That is what the Lord Almighty says.”

- GOD in Malachi 2:16 EASY

You’ve heard it said that two wrongs don’t make a right. GOD told us why He didn’t want Israelite men to marry foreign women. GOD didn’t want His men to marry women who followed other gods because she would influence her whole family to do likewise.

Since Ezra and the Israelite men hadn’t partnered with GOD to align their plans, priorities, passions, and perspective to His, they complied to His rules like managers following an operating manual. Following rules without understanding makes us unable to fix our problems without causing bigger messes.

Rather than teaching us to repeat the errors of our Bible heroes, we can apply our 20/20 hindsight vision to this situation from our King Jesus’ Wisdom He gave to John, Paul, and Peter:

John teaches us that if we say we love GOD, but hate others; we are liars. GOD’S version of hate is defined as ‘separate from.’ As in, “Jacob I loved, but Esau I hated or separated Myself from.” Ezra’s version of hate is ‘othering’. As

the men's expert guide, he put their wives & children in an 'other' group that was less than theirs. Ezra convinced his followers to separate themselves from their wives & children which allowed the men to mistreat them without guilt or shame.

Then Paul teaches us about mutual submission with King Jesus as our Head and Leader. He also taught us that there is no differences between male and female.

If we add Peter's teaching for wives to submit themselves to their husbands so that they may be won over without words by the behavior of their wives. With all this Wisdom, we can build a **4-Winner-Plan-Of-Action** that our King Jesus would enjoy:

A Proposed Strategy: The Israelite Men committing to pleasing GOD who they love by demonstrating Jesus' love for His Bride by trying to win their foreign wives and children to GOD through their purity and reverence for their lives.

If done well, here are the proposed winners:

3. The Israelite men winning because their wives respond well to their kindness.
4. The foreign wives winning by learning to love & trust their kind husbands and discovering our King Jesus is the reason they're so pleased with their husbands.
5. Their children winning because the mutually submissive couple with King Jesus as their Leader acts like a powerful Jesus Magnet for their children and others who want to be happy like them!
6. Our King Jesus winning by forgiving the men for their rebellion because of their demonstrable repentance. By drawing close to Him, He's able to draw closer to them and enjoy a personal, trusting relationships with each one.

That is a 4-winner strategy. This is why we need a personal relationship with Jesus, so we can follow Him as our Teacher, Leader, and King.

"I will instruct you and teach you in the way you should go; I will counsel you with My loving eye on you. Do not be like the horse or the mule, which have no understanding but must be controlled by bit and bridle or they will not come to you."

- GOD to David in Psalms 32:8-9 NIV

Let's address the similarities between our sacred men and the Pharisees who are still arguing about who's interpreting Scriptures correctly 2,000 years after they missed their Messiah. They aren't very coachable. Jesus warned us that if we follow blind leaders, our whole entourage will end up in a ditch.

Our Status Quo isn't loyal to our King Jesus, doesn't love Him, doesn't appreciate what He did for them on His cross, and feel entitled to their inheritance based on their checkbox religion. They use the Bible like a witch's book of spells to force GOD to accept them & bless their mess. Logic is defenseless against the Status Quo's argumentative leaders. They want to win debates rather than discover GOD'S Truth. They are incapable of listening, analyzing, adjusting their worldview, and then agreeing. Arguing with them will wear you out and make you question GOD and what He shared with you.

<<Insert @Mindplicit "How Intelligent People Deal With Stupid People - Schopenhauer" >>

The Status Quo wants to win debates, not discover GOD'S Truth. The Status Quo will rally their flying monkeys to be 'bold and courageous' and treat others as they wouldn't want to be treated. Our Status Quo is deep into Team Satan Orange Territory as I explain in Part 10. We see our Status Quo worshiping a created book they call by our King Jesus' Name and rampant fornication and adultery happening. GOD turns this group over to the sinful desires of their heart. When these men are religious leaders, they don't have Holy Spirit's Fruit of Self-Control. They make up rules for women about burkas, makeup, and leggings to blame others for their lack self-control. They worship & serve a created book like the Quran or Bible instead of GOD. They are scoring points for Team Satan and following Satan away from our King Jesus.

As our King Jesus' ambassadors, we must become our unique version of our King Jesus and display His character. Rather than using Bible figures to justify ourselves, become coachable & trainable as a little child so our King Jesus can give you a puzzle piece to His Kingdom.

As immature heirs, we follow rules like children until we learn the reasons behind them. As mature, Kingdom adults, we treat others as we would want to be treated as a stepping stone towards fulfilling our King Jesus' one command to, "Love others as He loved us." This law can be written on our hearts to guide every interaction we have with others without needing to gain approval from our Status

Who wouldn't recognize our King Jesus if He was standing in front of them ... just like the Pharisees didn't.

In Part 06 we are taught how to *voir dire* our expert witnesses by how well they connect their Biblical teachings to our King Jesus' Prime Directives. Jesus taught us that every Scripture hangs on teaching us to Love GOD and Others better. If we use them for a different purpose, GOD says that we've missed His point for giving them to us.

Rethinking GRM | 07 | Leviticus

Biblical doctrines are built by imperfect humans that found others to agree with them. Doctrines help us unite intellectually without needing to rely on Holy Spirit for our unity. Without Holy Spirit's help to keep our eyes on Jesus' to find out GOD'S logical & intentional reasons for everything He does, we are susceptible to anyone calling themselves an expert.

We've institutionalized our errors by creating doctrines to protect them. One such doctrine tests whether we are hearing our Good Shepherd's Voice. The doctrine states that Jesus' Voice must agree with our sound doctrines or we must reject it.

We've put Jesus in a Catch-22 situation. If Jesus doesn't agree with our 'sound doctrines,' we're told to reject that it's His voice speaking to us. This makes it impossible for Jesus to correct anything that we've classified as a 'sound doctrine.' The only way to defeat triangulation is by plugging directly into our King Jesus through Holy Spirit to thwart anyone who wants to slither between us & Jesus.

There are 11 Biblical passages used as excuses and justifications to mistreat GOD'S Rainbow Children. Since Jesus (GOD) only gave us Scriptures to help us love Him and others better, we will have some explaining to do unless we repent & help Jesus clean up our mess.

Let's address Leviticus's two pieces of evidence and how Moses didn't ban women from having sex with other women. I've heard some say that Moses meant to address lesbian sex. This is tough to believe when Moses condemned gay sex, ignored lesbian sex, then forbid men *and women* from having sex with animals in the same paragraphs. In addition, I experience cognitive dissonance when religious experts tell us there aren't any errors in the Bible, but Moses can make errors by 'forgetting' to address lesbian sex to agree with their Biblical

opinions. If our Good GOD is against gay sex but not lesbian sex, what are His reasons?

Moses' laws set the stage for our King Jesus' sexual doctrine for His followers. Jesus taught us that it's better for us to pluck out our eyes than experience lust or look at pornography. It's also better for us to cut off our hands than masturbate. Why didn't our theologians make sound doctrines on these teachings by Jesus? Don't we follow Jesus rather than Moses? Was it easier to point at the sins of others who didn't go to their churches rather than the sins of their supporters? Did they fear the consequences of trying to make their congregants look like escapees from a pirate ship?

Now, let's address Moses' Law and whether we should follow it:

“Do not think that I came to destroy the Law or the Prophets. I did not come to destroy but to fulfill. For assuredly, I say to you, till Heaven and Earth pass away, one jot or one tittle will by no means pass from the law till all is fulfilled. Whoever therefore breaks one of the least of these commandments, and teaches men so, shall be called least in the Kingdom of Heaven; but whoever does and teaches them, he shall be called great in the Kingdom of Heaven.”

- King Jesus in Matthew 5:17-19 NKJV

Does this teaching by our King Jesus mean that Peter is the least in His Kingdom since we all enjoy bacon? Is Paul the least since circumcision is now optional because of him? Is our Good GOD inconsistent? What's going on, here?

Rather than address Moses' individual laws, we have 20/20 hindsight vision with our King Jesus and Paul teaching His followers how to fulfill all of Moses' Laws. Yes, our entire Old Covenant, what Jesus called the Law and the Prophets, is fulfilled by loving others as we love ourselves.

“Love does no harm to a neighbor; therefore love is the fulfilling of [Moses' Law].”

- Paul in Romans 13:10 XO

“[Moses’ Entire Law] is fulfilled in keeping this one command:

‘Love your neighbor as yourself.’”

- Paul in Galatians 5:14 XO

“So whatever you wish that others would do to you, do also to them, for this is Moses’ Law and the Prophets.” (What we call the Old Testament)

- King Jesus in Matthew 7:12 XO

So which one is it?

Is our King Jesus teaching us that we’ll be judged by Moses’ Law of 600+ commands without a jot or tittle being removed from it?

- OR -

Will we be judged by how well we treat others like we would want to be treated?
(Our King Jesus’ 2nd Prime Directive)

The answer is, ‘Yes!’

Each individual gets to decide how they will be judged by how we judge others.

James’ Law of Liberty is judging others by assessing whether I am treating another as I would like to be treated.

“For whoever keeps the whole law and yet stumbles at just one point is guilty of breaking all of it. [...] Speak and act as those who are going to be judged by the law that gives freedom,”

- James in James 2:10, 12 NIV

We choose the measuring stick by which our King Jesus will judge us by the measuring stick we use to judge others.

This means that we have a choice to make. If we hold others to Moses' Law, we will be held to Moses' Law and we must obey *ALL OF IT* perfectly or be guilty of all of it. This route is for losers because it has never been accomplished except by our King Jesus.

- OR -

If we choose to hold everyone else to James' Law of Liberty, then we will be held to the same Law of Liberty. This path is for winners, plus it's confirmed by our King Jesus' teaching:

' Judge not, that you be not judged. For with the judgment you pronounce you will be judged, and with the measure you use it will be measured to you. '

- King Jesus in Matthew 7:1-2 ESV

However we judge others is how we will be judged according to the One we follow and who will be our Judge. He's told us how to ace our final exam! Think of all the time & money you just saved trying to figure this all out at Bible School! If we use Moses' Law to measure others, we will be measured against Moses' Law. If we use James' Law of Liberty to judge others, then we will be measured against his Law of Liberty.

The third choice being taught by our Status Quo doesn't exist. We can't hold ourselves to James' Law of Liberty while holding someone, or a group of someones, to Moses' Law.

How does this system create four-winners?

Winners 1 & 2 are the spouses enjoying their marriage with the spouse of their dreams. They will get to experience knowing their Good GOD loves them, doesn't want them to be alone, and is for them and not against them.

Winner 3 is our Good GOD who gets to enjoy His precious treasures loving Him without restraint because they learned that He's better than all of us thought!

Winner 4 is everyone else who sees their marriages thrive. Their happiness will be a powerful Jesus magnet that testifies that our GOD is good and fair to all of His children not just the ones making up rules for others.

Who are the losers? Those who refuse to accept any accountability and repent for the damage our mistreatment has caused GOD'S Rainbow Children along with their kids and family members. We misrepresented our King Jesus to them and caused hostility between themselves and GOD. This grieves our Good GOD that loves His Rainbow Children and wants us to draw them to our King Jesus through our love and kindnesses poured out on them.

Part 07 addresses Moses' ban on men having sex with men and noticed that he ignored women. We also learn that our King Jesus gives us a choice on how we will be judged. What isn't an option is judging others, or a small group of others, by Moses' Law and still expecting our King Jesus to judge us by James' Law of Liberty.

Rethinking GRM | 08 | Marriage

I want to address the evidence provided by our Status Quo about marriage. They want to convince us to build our lives according to their Biblical expertise.

You've heard the pithy saying that, 'GOD created Adam and Eve not Adam and Steve'. The opposition to same-sex marriages usually add their observations about plumbing and procreation to convince us that their opinions are perfectly aligned with GOD'S. These aren't arguments. Our King Jesus wants to teach us His ways, so we must understand His thinking. A legitimate argument would explain **why** GOD would keep two monogamous adults that love each other from getting married. Only once we can share GOD'S perfectly logical and loving reason behind His thinking is it a legitimate argument rather than an opinion or observation.

Authority and accountability are linked together in King Jesus' Kingdom.

Satan's fall while in Heaven means we'll retain our freewill while in Heaven.

Do you think GOD would set up a system in Heaven where His home improvement experts follow a single book meant to serve everyone? GOD'S experts would make all of our home standards. Our architecture, house colors,

and landscaping would all conform to His experts' sound doctrines and be designed to create consensus and unity of thought. GOD'S book would be given all of GOD'S Authority to build and decorate everyone's homes according to how GOD'S experts interpreted GOD'S book. If we discovered we couldn't live with their results, we would be rebelling against GOD Himself, not His experts' awful taste or decorating skills. If you don't think our Good GOD would do that to us, you're right!

Our authority was never meant to be abdicated and given to others. In fact, we should never give our authority to others when we'll be the ones suffering the consequences if they guess wrong. Ceremonies, certificates, and sound doctrines meddle with GOD'S good & personalized plans for us. They're all designed to steal our authority.

GOD wants us to build homes and lives we'll enjoy with Him. Our King Jesus is eager to train us to use His Authority like He would. We are invited to partner with the Creator of the Universe and have Him train and assist us in everything we do. If we want to do it by ourselves, He gives us our freewill to make our own choices. Since it's our freewill choices, it's also our accountability. Don't let our religious leaders blame GOD when their Biblical opinions don't work out. They were never given GOD'S authority to usurp our freewill choices.

The conversation between Jesus and the Pharisees recorded in Mark 10 and Matthew 19 provides two more pieces of evidence about marriage that is used to oppose same-sex marriages. The opposition cites Jesus' failure to affirm same-sex marriages when the Pharisees asked Him about divorcing their wives. Besides being off-topic, we need to remember Jesus' reason for coming to Earth. As GOD'S Perfect Lamb, He was under Moses' Law and needed to follow it perfectly until He fulfilled it. Our King Jesus wasn't free to communicate any views that were contrary to Moses' Laws.

Our misuse of certificates and ceremonies can confuse us, but they don't confuse our Good GOD. Jesus confirmed during this conversation that Moses' divorce certificates didn't obligate GOD to forgive the men from using and later divorcing their wives.

“Moses permitted you [men] to divorce your wives because your hearts were hard, but it was not this way from the beginning. I tell you, whoever divorces their wife except for infidelity, and marries another, commits adultery.”

- King Jesus in Matthew 19:8-9 XO

Christianity's system of annulling marriages that aren't consummated demonstrates that we understand that GOD joins us together during intimacy. We can use our man-made certificates and ceremonies to partner with our Good GOD to help us align closer to our King Jesus' Prime Directives of loving GOD & others more. If we don't, we're held accountable for our nonsense and our leaders are held accountable for making His little ones stumble.

When we use marriage ceremonies & certificates to help us distinguish between our life-long commitments and our promiscuous sexual affairs, we are trying to wrestle control of marriage from GOD. It's only a baby step further to use those same ceremonies & certificates to manipulate and control others. GOD doesn't play that game and never agreed with our nonsense and Paul let us know this:

'Anyone who joins himself to a prostitute becomes one body with that prostitute. You should know that. It says in the Bible: 'The man and the woman become as one body.'

- Paul in 1 Corinthians 6:16 EASY

In this way, GOD joins two men into one body. This is when GOD'S Marriage occurs. The same is true for two women. Intimacy is when GOD Marries us, not when we perform a ceremony or sign a certificate.

When we want to meddle in another's life to dictate who can or can't marry, we have grossly overestimated our importance in GOD'S marriages. GOD joins us together & GOD can separate us. When we try to manipulate who does or doesn't deserve our ceremonies, certificates, cakes, and divorce certificates, we are trying to wrestle authority away from our Good GOD.

Our King Jesus warned us not to do that:

"Therefore what GOD has joined together, let not [mankind] separate."

- King Jesus in Mark 10:9 XO

How can this help us love GOD more?

GOD wants the best for us. GOD knows that sex between two committed and monogamous adults creates a firm foundation for a happy family. It grieves our Good GOD to see us treat others as disposable sex toys. He wants to teach us

to avoid hedonistic sexuality which might feel good temporarily but can destroy our future relationships. Check out Stanford's Marshmallow Test to learn the benefits of delayed gratification.

We are created by a Good GOD that designed humanity's best practices to help us thrive and live fulfilled lives. Sex is when GOD joins two into one. This union is meant to be permanent and the beginning of our upward spiral of trust and intimacy with our chosen partner. Building a monogamous, committed marriage on King Jesus creates a safe foundation for our whole family to be loved, lifted, protected, and cared for.

How can this help us love others more?

When we look into the faces of GOD'S Rainbow Children, we can joyfully express to them that they are fully loved by our Good GOD, belong on Team Jesus, and are held to the same sexual standards as everyone else.

Regardless of who we are speaking to, GOD wants us to find our perfect spouse and enter into a lifelong, loving, and monogamous marriage.

Part 08 addresses GOD'S marriages. We note that while Jesus was under Moses' Law*, He couldn't contradict it by affirming same-sex marriages and still fulfill His mission as our Spotless Lamb. We also distinguish between GOD joining two into one during intimacy and mankind's misuse of our paper certificates and ceremonies to tear asunder what GOD has joined together.

Rethinking GRM | 09 | Sodom

Sodom deserved to be obliterated by GOD. Since the evil empire operated Earth with their might-makes-right programming, they deserve to discover that they aren't the mightiest. The evil empire will experience their 'Might-Makes-Right' treatment that they imposed on others. I ask our Good GOD to retrain us and correct our bad behaviors swiftly & consistently. This is our King Jesus' Spiritual Law of Reciprocity. Signed, dated, and declared on 02.23.2026 by Victori Fullness.

Most can easily recognize there are two groups of villains in the stories of Sodom, Gomorrah, and Gibeah. First, there's the obvious mob of wicked men outside. Second, there are the fathers & husbands inside that are willing to sacrifice their women to save themselves. Holy Spirit emphasizes this interpretation by telling the story of Gibeah almost word for word like the story of

Sodom. Samuel tells us that a Levite, his concubine, and his male servant stopped in Gibeah for the night and was given shelter by an old man.

While they were enjoying themselves, some of the wicked men of the city surrounded the house. Pounding on the door, they shouted to the old man who owned the house, "Bring out the man who came to your house so we can have sex with him."

The owner of the house went outside and said to them, "No, my friends, don't be so vile. Since this man is my guest, don't do this outrageous thing. Look, here is my virgin daughter, and his concubine. I will bring them out to you now, and you can use them and do to them whatever you wish. But as for this man, don't do such an outrageous thing."

But the men would not listen to him. So the man took his concubine and sent her outside to them, and they raped her and abused her throughout the night, and at dawn they let her go.

- Samuel in Judges 19:22-25 NIV

The Levite, a man that didn't deserve his wife's trust to keep her safe, had a few choices when faced with this dangerous situation. First, he could have sacrificed himself by going outside. Second, if sex with a man were the mob's highest priority, he had a male servant to sacrifice instead of himself. Third, he chose to sacrifice his wife. I know the Levite called her his concubine, but we are hearing his version of the story. Wouldn't he look worse to his peers if he told them he sacrificed his wife rather than his concubine to save himself? Well, yeah...that's why he called her his concubine.

Since there's a debate about whether GOD'S Rainbow Children can follow Jesus, this means they want Jesus but our Status Quo is telling them to just die (in their most loving way, of course). As Jesus' partners in destroying His enemy's works, we get to ask Him questions for our greater understanding. We get to ask Him how grouping all same-sex attracted people into the evil, death-deserving group of the gang rapists of Sodom & Gibeah benefits His Kingdom or if it's advancing the evil empire's Status Quo. If all we saw was predatory hedonism, this wouldn't be a question. What makes this imperative is that our Good GOD is welcoming into His Body those the Status Quo is rejecting.

So let's ask what the evil empire gains from putting people into groups or offices with authority assigned to them regardless of merit. Likewise, condemnation or respect based on someone's group membership rather than on their personal integrity and character. The Levite benefited from this system. He's a religious expert based on being born a boy in the tribe of Levi, not his character. The male servant also benefited from this system and the Levite's wife didn't.

Only our Good GOD and His angels acted justly. If we're supposed to think like Jesus does, one of the things we need to recognize is that we are incapable of judging others correctly. GOD has the mental capacity to know each one of us, understand our history, and how it affects our thinking. He can also see our hearts & minds. Judging others by groups is always a sign of lesser mental-capacity beings that must generalize into groups because we are incapable of keeping track of every sparrow.

GOD destroyed Sodom and Gomorrah based on the cries from their victims. A mountain of evidence had been gathered against them. Even so, GOD promised Abraham He would judge each individual separately and He wouldn't have destroyed Sodom and Gomorrah had He found 10 righteous people treating others as they would want to be treated.

Being Biblical justifies all kinds of evil. When we use the Bible to make the same mistakes as our Bible heroes, we are advancing the evil empire's clutter and confusion. When we don't focus on our King Jesus' teaching to reject any Biblical opinion that doesn't help us love our Good GOD and others better, evil can be called good ***and Biblical.***

As prophets, Paul and Moses weren't perfectly inerrant like Jesus who didn't say or do anything that His Father in Heaven didn't show Him to say or do. When Paul tells us that he saw dimly as if looking into a dark mirror, that doesn't sound inerrant to me. While our Good GOD can honor His prophets by making their words inerrant (aka by not letting their words fall to the ground as He did with Samuel), that's our Good GOD being wonderful, not His prophets being inerrant. Let's not forget that Paul had a third letter to the Corinthians that GOD determined that He couldn't endorse. GOD made sure that letter got lost. In addition, Paul told us that:

“The spirits of the prophets are subject to the prophets.”

- Paul in I Corinthians 14:32 NIV

This means that if Moses & Paul only saw dangerous examples same-sex relationships and they didn't believe that two men or two women in loving, monogamous relationships could be devoted Jesus followers, then their writings will be subject to their understandings. This is the same for our Good GOD'S modern-day prophets.

It's also time to have Paul define how we can appropriately implement the Bible's inspiration and inerrancy:

“All Scripture is given by inspiration of GOD, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of GOD may be complete, thoroughly equipped for every good work.”

- Paul in II Timothy 3:16-17 NKJV

Poring GOD'S fresh, pure, & clean living water into filthy, dirty cups results in filthy, dirty water.

Paul is re-stating our King Jesus' 2nd Prime Directive. The Bible is our King Jesus' tool to help train us to love others better and treat them like we would want to be treated (aka instruction in righteousness). When Jesus is our Personal Mentor and training us to think like Him, the Bible is fresh, inspired water. We can't harvest GOD'S inspiration and inerrancy without leaning on our King Jesus instead of ourselves or our lesser expert guides. When things confuse us, we can ask for His perspective which is always fresh, clean, & inspired living water. Once it leaves our mouths, it may not be clean any longer.

When our Status Quo uses these verses to claim that their Biblical opinions are inerrant, we are tricked into leaning on them instead of our Good GOD. We are drinking our Status Quo's filthy water if we can justify treating others as we wouldn't want to be treated as being 'Biblical.'

If we don't demand that Team Jesus' Coaches reflect our Good GOD'S true character which is Perfectly Fair and Perfectly Good, we allow them to make GOD look evil like we are.

This provides a useful way for our enemies to manipulate us. If GOD isn't logical, if He prefers men over women for some reason, and condemns His Rainbow Children to Hell regardless of how much they love GOD and others, it confuses us. This muddles our view of GOD'S character and provides cover for the Status Quo.

Since the Status Quo claims GOD is illogical, inerrant, inconsistent, and contradictory, this allows the Status Quo to be illogical, inerrant, inconsistent, and contradictory. Once we allow them to be unchained from reason, logic, and verifiable truth, we become their pawns.

How Does This Help Us Love GOD More?

Leaders that justify sacrificing others to save themselves are the antithesis of our King Jesus. As our Perfect Leader, our King Jesus is GOD and the Creator of the Universe yet He didn't value Himself above us. He stepped outside of Heaven's safety which is like stepping outside of the old man's home to sacrifice Himself to save us.

Our Status Quo doesn't resemble our King Jesus at all. They want us to follow them and a created book and try to convince us that their Biblical opinions are as inerrant as GOD is. We need to plug into our King Jesus and get to know Him personally so we can recognize all the counterfeit expert guides.

How Can This Help Us Love Others Better?

King Jesus will deploy us to destroy every work of darkness. Holy Spirit will coordinate our symphony of obedient acts whether we know the others in our relay races or not.

As in the days of Lot, Satan wants us to hunker down inside of our unsafe houses and wait for GOD to snatch us to Heaven. If we think GOD wants us to hide inside and wait for Jesus to rescue us again, then we will act like sheep. If we expect our King Jesus to empower those closely aligned to Him to rule Earth like He would, we will act like His good, fair, & courageous lions.

The more we act like our King Jesus and display His type of leadership that went to the cross to protect others, the more we will be known for our love. Let's follow our King Jesus' example of judging each individual with evidence that condemns or exonerates them as individuals. Let's judge others based on their character and integrity rather on their group. If there isn't any evidence to convict them of treating others as they would hate to be treated, we should proclaim them innocent according to the Law of Liberty.

Part 09 addresses how we are using the Bible. GOD can't pour fresh, clean, and pure water into a dirty cup without getting dirty water.

If Sodom, Gomorrah, & Gibeah were Moses' and Paul's only understanding of men having sex with men, we can all understand why it would warrant their death sentences. Even so, Jesus looked at the real evidence provided by the people who were crying out to Heaven for help. Jesus also judged the inhabitants of Sodom as individuals. Only after He couldn't find 10 people that treated others as they would want to be treated, did He obliterate these cities.

Rethinking GRM | 11 | *Arsenokoitēs*

Arsenokoitēs is the Greek word that Paul used in two of his letters that some use to condemn homosexuals. Paul joined two words from the Greek Septuagint version of Leviticus written by Moses where he wrote that men having sex with other men deserves death.

'Do you not know that the unrighteous will not inherit the Kingdom of GOD? [Notice that Paul is addressing 'the unrighteous'] Do not be deceived. Neither fornicators, nor idolaters, nor adulterers, nor homosexuals, nor sodomites [*arsenokoitēs*], nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners will inherit the Kingdom of GOD. '

- Paul in I Corinthians 6:9-10 NKJV

'Knowing this: that the law is not made for a righteous person [Again, Paul is not addressing righteous people], but for the lawless and insubordinate, for the ungodly and for sinners, for the unholy and profane, for murderers of fathers and murderers of mothers, for manslayers, for fornicators, for sodomites [*arsenokoitēs*], for kidnappers, for liars, for perjurers, and if there is any other thing that is contrary to sound doctrine, '

- Paul in I Timothy 1:9-10 NKJV

The Greek Septuagint translated Moses' words condemning men having sex with men as ***ἄρσενος κοίτην*** found in Leviticus 20:13. Paul merged these two words into his new Greek word, ***ἄρσενοκοίτης***. Paul's use of Moses' Greek words is his footnote stating that Paul is relying on Moses' sound doctrine rather than on fresh inspiration from Holy Spirit.

When we look at a timeline of Paul's letters, Paul used *arsenokoitēs* in I Corinthians around 55 AD, did not use this word in Romans to describe the men being with men written between 55-57 AD, then used *arsenokoitēs* again in I Timothy at the end of his ministry around 62-64 AD. Paul differentiated Romans from these two passages to inform us that he got fresh revelation for Romans. This understanding helps us address these two Scripture passages in the same way we addressed Moses' Law. If we hold others to the Law of Moses, we will be judged by the Law of Moses. If we hold others to the Law of Liberty (asking others to treat others as they want to be treated) then we will be judged by the Law of Liberty.

I also need to address that neither Paul nor the Bible has the authority to create an addendum on King Jesus' finished work on the cross.

Mankind's new contract with GOD had all the terms delivered at Jesus' Last Supper. His only command was to love others as He loved us and the contract was signed, sealed, and delivered the next day on the cross. It was declared finished and even King Jesus can't show up today and change the terms of our contract with Him.

How Does This Help Us Love GOD More?

Our GOD is Perfectly Good and Perfectly Fair. When Satan accuses our Good GOD of being evil, we need to be smart enough to trust our Good GOD and doubt the snakes. Therefore, we can assess their evil accusations as false and then ask our King Jesus to explain what they are trying to accomplish so we can disarm their snares for ourselves and others.

Let's address what the Status Quo is accusing GOD of doing: If GOD excludes every homosexual from the Kingdom of Heaven no matter how much they love their chosen spouse and others like Jesus loved them, they are stating that GOD created them homosexual then condemned them to Hell for it. This is taking GOD'S Name in vain. They are vomiting their evil all over our Good GOD. They do not know Him. They do not love Him. Nor do they display any sign of being loyal to Him.

How Does This Help Us Love Others More?

Let's address Christianity's habit of subjugating and excluding those without power to fight back. We've done it with Jews, slaves, indigenous people, women, and homosexuals. Besides the obvious benefits of using religion and fear to

manipulate those who can't stop us, there's also power in excluding dissenters from the safety of the herd. Those who have power to exclude the powerless can use the threat of exclusion to keep their followers in line. No one wants to be pushed out into the unknown, so we obey our religious leaders rather than be labelled a problem and thrown to the wolves.

It's fear that keeps us compliant and unwilling to pop the groupthink bubbles, but the Bible commands us 365 times not to be afraid. When we trust our King Jesus to keep us safe rather than those using His Name to manipulate us, we are unchained to think freely and ask all the questions we want.

An easy way to differentiate between the righteous and unrighteous is by becoming alert to those who believe that **'the ends justify the means.'** Using fear to scare people into Heaven is not what Jesus did. Our Good Shepherd invites us to follow Him and have our minds transformed to think, act, and love others as He loves us. In our King Jesus' Kingdom, our means is how we treat others, especially those who can't help us advance without us advertising our good works to them.

“Then the ones who pleased the Lord will ask, “When did we give You something to eat or drink? When did we welcome You as a stranger or give You clothes to wear or visit You while You were sick or in jail?” The King will answer, “Whenever you did it for any of My people, no matter how unimportant they seemed, you did it for Me. [...] Whenever you failed to help any of My people, no matter how unimportant they seemed, you failed to do it for Me.””

- King Jesus in Matthew 25:37-40, 45 CEV

When we care for others without recompense, we're demonstrating our gratitude to Jesus for what He did for us on the cross. Caring for others is how we worship Jesus. While we can't control our results, we can petition our King Jesus for that. This helps us do what we can do acting as His hands, feet, and voice on Earth, and relying on our Good GOD to do what only He can do.

In Part 11, we connected Paul's new, Greek word, **arsenokoitēs**, back to Moses' Law in the Greek Septuagint. This obvious connection means Paul is relying on Moses' doctrine rather than Holy Spirit's fresh inspiration. Besides that, no one, including Jesus or Paul, can modify our New Covenant that our Good GOD made with us. Therefore, we can treat these verses in a similar manner to Moses' Law. It's still our choice on how our King Jesus will judge us by how we judge others.

Rethinking GRM | 12 | *Malakós*

The Greek word, *malakós*, that Paul used in I Corinthians 6:9-10 has been used to judge every homosexual, male and female, as being unrighteous. Before we examine how Paul used this word, let's see how our King Jesus used *malakós* in the King James Version from 1611 AD:

'But what went ye out for to see? A man clothed in soft raiment [malakós]? Behold, they that wear soft clothing [malakós] are in kings' houses.'

- King Jesus in Matthew 11:8 KJV

'But what went ye out for to see? A man clothed in soft raiment [malakós]? Behold, they which are gorgeously apparelled, and live delicately, are in kings' courts.'

- King Jesus in Luke 7:25 KJV

These verses are where Jesus asked His disciples why they went out to see John the Baptist. Ancient Greek sources defined *malakós* as soft. Jesus uses *malakós* as soft three times. The King James Version in 1611 translated *malakós* as soft three times, and the New King James version that was revamped in 1982 translates *malakós* to mean soft three times. In addition, looking up *malakós* in Google Translate returns soft. With all of these confirmations spanning over 2,000 years, we can all be confident that *malakós* means soft.

If *malakós* means soft, why do so many of our Bibles translate Paul's word, *malakós*, in 1 Corinthians 6:9-10 as *homosexuals*? Wouldn't it make sense to translate *malakós* as soft people like Jesus did?

'Do you not know that the unrighteous will not inherit the Kingdom of GOD? Do not be deceived. Neither fornicators, nor idolaters, nor adulterers, nor homosexuals [malakós], nor sodomites, nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners will inherit the Kingdom of GOD.'

- Paul in I Corinthians 6:9-10 NKJV

I traced this error back to the King James Version written in 1611 AD where **malakós** was mistranslated as **effeminate**. Strong's Lexicon G3120 told us they interpreted **malakós** as a metaphor rather than accurately translating Paul's word like it was translated by our Good GOD.

Traveling forward 300 years to 1982, our Experts again mistranslated **malakós** in the New King James Version. Bible translators went from the literal meaning of **malakós** being **soft** and condemning soft people, to a metaphor for soft men which is **effeminate**, to using the word **homosexuals** to condemn every gay man and lesbian woman.

Whether sloppy or sinister, no one accuses soft women of being lesbians. Holy Spirit made their error obvious to anyone willing to do a cursory investigation.

King Jesus rebuked our Bible translators for their sloppy or sinister work. Our King Jesus told us three times in the Bible that **malakós** means **soft** and Father GOD confirmed His testimony & His rebuke.

How did Father GOD confirm Jesus' testimony & rebuke?

When Jesus used the word **malakós** to describe men wearing soft clothes and living delicately in kings' palaces, what are the chances that **malakós** would be mistranslated by men wearing soft clothes and living delicately in King James' palace? Yes, the odds of that happening are low, right? What's even more convincing is Jesus' humor coming through. If **malakós** means homosexual, then Jesus was asking His disciples if they went out to see if John the Baptist was gay! Remember, GOD has a reason for every jot and tittle in the Bible!

Let's Pivot here and review all of the evidence GOD allowed to be included in the Bible regarding unrighteous lesbians. Remember that the definition of unrighteous is treating others like they wouldn't want to be treated or using others like disposable sex toys:

- Moses in Leviticus addressed men having sex with men & ignored women.

NOPE

- Moses witnessed that GOD creating a man and woman.

- Jesus, while under the Law of Moses, affirmed marriages between men & women.

NOPE

- Moses & Jude witnessed that GOD destroyed Sodom & Gomorrah.

NOPE

- Paul addressed gay & lesbian promiscuous sex.

Yes. The Bible's First Witness regarding unrighteous lesbians.

- Paul addressed Moses' Ban of men (*arsen*) + many beds (*koitēs*) or promiscuous men (*arsenokoitēs*).

NOPE

- Paul addressed soft people (*malakós*) which was mistranslated as effeminate men; which was later mistranslated as homosexuals condemning all gay men & lesbian women.

NOPE

Bible experts who would like to use Biblical Authority to condemn homosexuals have a problem. With only one Biblical witness to condemn lesbians, the Bible is withholding any authority it has to establish any matter regarding lesbians.

Four Bible witnesses (including our King Jesus) stated that charges cannot be established against someone without 2 or 3 witnesses:

“Every matter must be established by the testimony of two or three witnesses.”

- Paul in 2 Corinthians 13:1 NIV

The whole prosecution of homosexuals has fallen apart if they base their condemnation on Biblical Authority. When the Bible withholds a second witness to condemn unrighteous lesbians, 50% of homosexuals must be dismissed from the prosecution's case.

How Does This Help Us Love GOD More?

The divergence between those who use the Bible to control and manipulate others and our Good GOD who asks us to treat others as we would wish to be treated is exposed.

The Bible is not a tool to be used against others, but an invitation to come into a personal relationship with our Good GOD. Holy Spirit works with us to show us how it can help us love others and GOD better. Our Good GOD will always make sure it misfires on us if we use the Bible like a gun to kill others along with their love and trust in our Irresistible King Jesus.

How Does This Help Us Love Others More?

When a teacher or expert tells us it's Biblical to treat others as we would hate to be treated, remember that our experts & teachers can be wrong. If anyone tries to convince you that it's GOD'S will to treat others as you would hate to be treated, reject our nonsense. Treating others as you would hate to be treated is contrary to what our Good GOD has asked all of us to do.

No longer do we need to be confused by our Good GOD'S supposed condemnation of homosexuals that didn't make sense after He made them that way. We can now pursue loving all of GOD'S Rainbow Children without reservations, caveats, asterisks, or the word 'but' after we tell them that GOD loves them. We can now repent to them & our Good GOD and have Holy Spirit guide us in repairing the damage we have caused them and our Good GOD'S Name & Reputation.

In Part 12, we found that we mistranslated the word *malakós* as effeminate. Instead of fixing our work when we saw the damage it was causing, we doubled down to condemn all same-sex-attracted males & females by mistranslating this word again as homosexuals.

The Bible states that to establish a matter, we must have the testimony of 2-3 witnesses. Therefore, with only one Biblical witness, the Bible is withholding any authority we think we have to establish any matter regarding lesbians.

Rethinking GRM | 13 | Jesus

Why did Jesus teach us to obey the Pharisees & Moses' Law?

After that, Jesus spoke to the crowds and to His disciples. He said, 'The teachers of Moses' Law and the Pharisees have authority to explain the Law of Moses. So you must obey everything that they teach you.'

- King Jesus (While under Moses' Law) in Matthew 23:1-4 EASY

After He had successfully fulfilled and archived Moses' Law, GOD gives instructions to Peter and Paul to disobey the teachers of Moses' Law and the Pharisees. GOD taught them to discard Jewish dietary requirements and circumcision to be considered Jesus' followers. Is GOD being inconsistent and contradicting Himself or did something change? GOD is never inconsistent but He does pivot as we make our freewill choices.

Those that want to stay on a religious gerbil wheel and resist change can be left behind like the Pharisees were. Those that want to attend our King Jesus' Wedding Feast are being invited to come. Our King Jesus' story has many chapters that we are being invited to participate in. Those that refuse to follow our King Jesus to His new, exciting chapter are looking back. Lot's wife did the same thing and turned into pillars of salt. While Change is scary, it's not when we love and trust Jesus who we know intimately. When this is the case, we know that He wants to surprise and delight us! GOD'S got this and He's got us.

It was a big deal for the Early Church to learn they could eat bacon and follow Jesus when they weren't circumcised. He would have overwhelmed them if He had tried to address slavery, same-sex marriages, Satan's temple system, and women equally included on Team Jesus' Coaching Staff. Even our understanding of love languages and how we worship our King Jesus with acts of service to others is a Now Word. While Satan wants to trick us by saying it has to be in the Bible to be inerrant and that GOD doesn't speak to us today, that's just his wimpy doctrinal attempts to silence our King Jesus. This perfectly explains Jesus' following statement:

"I have much more to say to you, more than you can now bear."

- King Jesus in John 16:12 NIV

Two thousand years later, many still can't bear His teachings. Jesus is alive and isn't stingy with His Wisdom.

“Wisdom is vindicated and shown to be right by all Her children.”

- King Jesus in Luke 7:35 XO

If we lean on Him rather than our own understanding, He can untangle us. While GOD'S Wisdom is vindicated by Her incredible results; our clutter, confusion, corrupted churches, disunity, and Christians being known for our hatred rather than our love only displays our impressive foolishness.

Invitation 1: Jesus Teaches Us About Celibacy

But He said to them, “All cannot accept this saying, but only those to whom it has been given: For there are eunuchs who were born thus from their mother's womb, and there are eunuchs who were made eunuchs by men, and there are eunuchs who have made themselves eunuchs for the Kingdom of Heaven's sake. He who is able to accept it, let him accept it.”

- King Jesus in Matthew 19:11-12 NKJV

Our Teacher divides celibacy for men into three groups:

- 1) Being born a eunuch
- 2) Made a eunuch by force by ***mankind specifically***, not by GOD
- 3) Made a eunuch by their own freewill choice to advance King Jesus' Kingdom

Notice that this would have been a perfect opportunity for Jesus to add a 4th option like, 'Those that become eunuchs to enter the Kingdom of Heaven.' Instead, the third group is referencing men like Paul who forgo marriage to concentrate on advancing the Kingdom of Heaven, not just getting into it.

One of the things that makes this important is because Jesus didn't miss opportunities like this to make His positions clear to future generations. He knew the end from the beginning and never said or did anything that Father GOD didn't prepare Him to do or say.

The 4th option of GOD forcing men to remain celibate to enter His Kingdom of Heaven is not present. In fact, our King Jesus exposed our circus of religious

training hoops we created for His Rainbow Children by specifying that, ***'eunuchs who were made eunuchs by men.'*** I'll repeat that, **BY MEN**. GOD does not make gay men become eunuchs to enter His Kingdom of Heaven. According to Jesus, that force is being applied by mankind, not GOD. We cannot blame Him for our evil doctrines and religious training hoops.

Invitation 2: Jesus Teaches Us About Some Being Taken

'I tell you, in that night there will be two men in one bed: the one will be taken and the other will be left.'

- King Jesus in Luke 17:34 NKJV

This love note from our Good GOD to His Rainbow Children has always been in plain sight, but our Status Quo has refused to see it. Everyone that seriously investigated when or how Jesus would return has stumbled upon this Rock. GOD can't rapture one gay man and leave another without exposing our evil doctrine of rejecting all of them. When I pointed out this verse, I heard excuses and justifications.

What no one tries to explain is Jesus' choice of words. If Jesus had wanted to portray two men eating next to each other, He could have done that easily without putting them in a bed together at night.

Here a few of their excuses & justifications:

1. Two men in one bed at night is grouped with normal, daily tasks of two women grinding together and two men in the field. Jesus wouldn't group a drama-filled option with two mundane ones. Therefore we can rule out that Jesus is referring to two men in a snowstorm that are huddled together for shared body warmth so they won't perish.
2. Our Bible experts have redefined the word Jesus used for bed, ***kline***, to agree with their opinions. When Jesus used the same Greek word to describe hiding our light under a bed, ***kline***, there's no confusion. Only when Jesus uses the same word to describe ***two men in it together at night*** did our Bible experts need this ***kline*** to be redefined as a couch or mat used for sleeping, sickness, sitting, or eating.
3. Matthew recorded the same discussion and he left out Jesus' words about two men in one bed at night.

'Then two men will be in the field: one will be taken and the other left. Two women will be grinding at the mill: one will be taken and the other left. Watch therefore, for you do not know what hour your Lord is coming.'

- King Jesus in Matthew 24:38-42 NKJV

Matthew confirms that Jesus meant it exactly like Luke recorded it. I picture Jesus teaching this with a twinkle in His eye and possibly pointing towards His Rainbow Sheep. Matthew was Jewish and had been marinated in Jewish, Temple thinking that forbade gay sex. Since Matthew couldn't accept this teaching, he omitted the phrase about two men in a bed at night and added ***'at the mill'*** to fit his religious framework.

Invitation 3: Scriptures Teach Us That GOD Married Israel & The Church is His Bride

Since GOD knows the end from the beginning, it's not surprising that He directly addressed the major controversy of same-sex marriage. Our King Jesus couldn't make it any clearer that He plans to marry us, male and female, and therefore He affirms same-sex marriages.

Let's wrap this up. Since our King Jesus is GOD, and He told us that Father GOD is His second witness, we only need to find one of GOD'S Rainbow Children that is married & filled with Holy Spirit to demolish this doctrine of demons.

I would like to present into evidence, ***Calling The Rainbow Nation Home***, the book by ET Sundby. In it she presents many such examples when only one is needed. Those that are following our living Savior, our King Jesus, and not lost in idolatry and worshipping a created book will recognize how expertly our King Jesus has used the Bible, His tool & sword, to separate our nonsense from His Truth.

Let's also revisit our score card to see how many witnesses condemned our Good GOD'S Righteous Rainbow Sheep?

Our first witness is our King Jesus that just gave us His Expert Witness Testimony. Far from condemning His Rainbow Sheep, He exonerated them & welcomes them into His Body!

Let's keep going... Oh, hold on! The only vote that matters is GOD'S Vote!

Thank You, Lord!

Dear Lord, I enter Your Courts of Heaven with praise knowing how much You love Your Rainbow Children. It's time for Your harvesters to overtake the plow and rescue the 99.

According to this evidence, I petition the Perfectly Fair Judge to dismiss every charge against all gay men, all lesbian women, all homosexuals, and all Christians accused of affirming same-sex marriages that are in Your Courts of Heaven.

Begin garnishing our funds to establish the Rainbow Sheep Fund [named after the @Naked Paster, David Hayward] to provide mental, physical, & spiritual assistance to Your Rainbow Sheep & their family members. Reward Your sons & daughters that recognized the Status Quo was wrong and loved Your Rainbow Sheep despite being harassed like Your Rainbow Children were.

I ask that the Courts of Heaven to record when and how we repented for my King Jesus' Law of Reciprocity.

**Signed, dated, & declared by Victori Fullness, Your XO, on Purim
03.02.2026 @ 7:41pm Eastern**

In Part 13, Jesus couldn't testify for Rainbow Marriages while He was under Moses' Law and still be considered our Spotless Lamb. Instead, our King Jesus made sure to teach us that our solution of life-long celibacy is from mankind not GOD. Second, GOD put a Rock in the path of everyone that investigated the Rapture. Our excuses and justifications provide evidence that we want to follow the Bible for our self-righteous purposes rather than reproof or correction. Third, King Jesus has asked us, male & female, to be His Bride and therefore affirms same-sex marriages.

GOD'S Vote is the only one that counts!

Rethinking GRM | 14 | Jerusalem Council 2026

We were trained, like the Pharisees before us, to follow Scriptures rather than our King Jesus. This confuses the Status Quo that wants to blame GOD for all of our poor results since **they're** just being obedient and following scriptures. There is sufficient Biblical evidence to demonstrate that religious leadership that wants to use GOD'S Authority decoupled from GOD'S accountability will be disappointed.

It's time for Holy Spirit to assemble our King Jesus' New Jerusalem Council. Since our King Jesus' throne is built on His Goodness & Fairness. Our assignment for 2026 is to remove our spots & wrinkles so we can welcome our King Jesus home.

<<Insert TED talk on monkeys recognizing fairness>>

When monkeys, dogs, and birds understand goodness and fairness, there aren't any valid excuses for us. Jesus' One Command is simple, **'Love others as I have loved you. By this, all will know that you are my followers.'** He asked us to be known for our love, but the World knows us for our hate of homosexuals. He asked us to seek first His Kingdom and warned us that a divided house will not stand, but we have 45,000 denominations and growing. Jesus warned us not to call anyone but GOD our Teacher, Leader, or Father and these are His peacocks' favorite titles that they refuse to bestow on women because **that** wouldn't be Biblical.

After 2,000 years of leaning on our own understanding, we are now calling a created book by our King Jesus' Name and follow it instead of Him. We treat the Bible like a book of spells and proclaim that it holds our King Jesus' authority. This idolatry has resulted in our King Jesus' Bride being full of spots and wrinkles.

Our King Jesus drew us a map to His Kingdom when He praised a scribe not far from it. Jesus' followers who speak, act, and judge others by James' Law of Liberty are invited to mark this narrow path with flashing neon signs to draw everyone irresistibly to our King Jesus & into His Kingdom.

A scribe said to Jesus, "Teacher, You have answered well. You are right to say that the Lord is the only GOD. And there is no other GOD except Him. We must love Him completely, with all our heart, soul, mind, and strength. We must also love other people as much as we

love ourselves. This is more important than all of our gifts or sacrifices that we could offer to GOD.”

Now when Jesus saw that he answered wisely, He said to him, “You are not far from the Kingdom of GOD.”

- King Jesus & a scribe in Mark 12:32-34 - XO

Moses started with over 600 commands, then Jesus pared them down to His two Prime Directives, then He reduced it again at His Last Supper. We now have One Command: To Love Others as He loved us.

Going Forward

Holy Spirit will be assembling #JC26 near Atlanta, Georgia USA.

The Jerusalem Council 2026 Agenda:

1. **#JC26JC** Update the Jerusalem Council edict to reflect who can join Team Jesus & who must be excluded.
2. **#JC26Ashes** We must learn our King Jesus’ ways to draw up a beautiful new system to make Him Proud. It is to our shame that the world isn’t lined up at our doors demanding to be given our Irresistible King Jesus like we are handing out free gold and silver.
3. **#JC26FOG** Draw up plans for the Fear of GOD Agency (FOGAgency.One) to hold accountable anyone using our Good GOD’S Name & Reputation.
4. **#JC26Rainbow** Establish the Rainbow Sheep Fund & outline how it will operate.

Our Good GOD will be honoring our public declarations. Let every Jesus follower conduct themselves with GOD’S wisdom:

“The wisdom that is from above is first pure, then peaceable, gentle, willing to yield, full of mercy and good fruits, and without hypocrisy.”

- James in James 3:17 NKJV

Part 14 is calling Our King Jesus' Solutionaries for their ability to untie knots. They are being invited to facilitate our King Jesus' New Jerusalem Council in 2026. This is for our King Jesus' Swans that have resolved their Biblical conflict regarding women in ministry, not His peacocks that are lagging a bit behind in their maturity.

Here is Graham Cooke of Brilliant Perspectives speaking for our Good GOD:

“Beloved, I am determined to build a house in the Earth. A temple of goodness so tall its light will be seen in the highest and the lowest of places. Goodness shall be the antidote to greed and self-preservation. The building blocks of trust and faith shall make a way for untold millions to find their way into the Kingdom.

“Beloved, real growth comes from the questions you ask Me not from circumstances that question you. Fullness is the only certainty in life. I speak these words over you so My joy may be in you and full. I am commissioning you to cultivate goodness in your life, in your city, in your region. In these days of chaos, it shall be the evidence of being in Christ of living in the new man. I am banishing measure from your midst. Measure cannot handle the chaos that has been released upon the Earth. Only a life focused on fullness and abundance and inheritance can inherit all that the Earth needs to rise up. Only the beloved will grasp the good pleasure of My will. Do not disown My glory. You're not the same as everyone else. You're being changed from glory to glory so that the Bride will begin to be revealed in and through astonishment.

“The stories of glories must be recorded and sent around the World. In goodness, shall there come a union between the Head and Body and the mindset of the Bride shall speak from a new realm of anointing. Behold, I give you more promises than you will ever need and We will create a new economy built on strategic extravagance. I tell you, the power of the Kingdom will overwhelm the World!

“This promise is personal for My people and therefore carries My guarantee. My Word of honor will not return to Me empty. It will accomplish My purpose. If you let go of it, others will pick it up. So that the promise will succeed in the matter for which I sent it.

***“Let the promise impregnate your secret place so that it comes to fruition in you. It is vital that you allow these promises to put you ahead of worldly matters. You will become the bandwagon that people will want to jump on. Blessing, favor, miracles, and resources will flow into the places that connect with the Kingdom; and as world events darken the landscape your light of goodness will open up the heavens and the Church will no longer be in recovery. It will be the fulfillment of Isaiah 61:4 that you will rebuild the ancient ruins. You will raise up the former devastations. You will repair the ruined cities and the desolation of many generations.*”**

***“I make this promise of your inheritance in Me in the midst of the chaos of your own circumstances that you may stand and not be moved away from a hope that I am bestowing upon you even this evening. This is your time to rise up and do exploits with Me, so that wherever you go water will be in your footprints. Everyone you touch will see and hear something and feel something of My presence. I AM is with you. I AM is with all those that you connect with. This is your Word of inheritance for yourself, for your family, for your friendships, for your places of work. This is your inheritance. You carry an inheritance for the community around about you.*”**

***“And now it’s time to look Me in the Face and smile! Because this is your day. This is the day when you rise up out of your circumstances into a whole new place of relationship with Me! You will no longer be traumatized by events. You will not live under the tyranny of your circumstances. Instead, you will live in the fullness of My Heart towards you.*”**

***“Beloved, this is your time. The Bride is rising up in the Earth and I have allocated untold billions of dollars to the Bride that she may grow and be seen and become beautified. Even as Esther had twelve months of beautifying treatments, so I am beautifying the Bride. I’m doing it through goodness. I’m doing it through an inheritance. I’m doing it by resourcing everything that is in your heart. This is time for you to step into a new Oneness with Me; A new partnership with Me! For the upgrade of your own life and your own family, for the upgrade of your wider family and friends, and your community, and your workplace, and your city, this is your moment, Beloved.*”**

“And it starts right here, right now, right here, right now! ‘Cuz I’m not waiting anymore! When I grant you something, please have the kindness to take Me for granted so that we flow together in a Oneness, in a provision, in a power, in a grace, in a love that changes people and situations. This is your inheritance and I freely give it to you this evening out of joy and out of a sense of wonder about who you will become as you take hold of it and partner with Me for the sake of Goodness. Amen”

Father, the truth is Jesus deserves this to happen. He deserves it. He deserves to see us powerful. He deserves to see us resourced. He deserves to see us on top of our gift in our calling. He deserves to see us living in Your love and in Your kindness and in Your goodness. He deserves us to be successful in the World. He deserves it. He paid a price for that to happen and it is important for us that He is honored by our trust, by our faith, and by our response to all that You are and all that You want to do. So when we say, “Father, we ask it in Jesus’ Name” we’re saying we ask it because He deserves it! He deserves it! He deserves it! He deserves it! He deserves it! He deserves it! He deserves it! So, we’re asking for His sake, not for ours; For His sake in Jesus’ Name, amen.

- GOD with Graham Cooke

Father GOD has promised me that my efforts will follow this path:

“All truth passes through three stages. First, it is ridiculed. Second, it is violently opposed. Third, it is accepted as being self-evident.”

- Arthur Schopenhauer

Dear Lord,

I submit this video into my Good GOD'S care, custody, and control. I ask that You use it to perform Your SOVEREIGN WILL that will always be better than we can think or imagine!

Let it be so in my King Jesus' Name because He deserves it!

This is Victori Fullness, our Good GOD'S XO, signing and dating her work on March 09, 2026. Any mistakes made in this video are mine. I am accountable for how well or poorly I hear and convey my Partner's voice.

Thank you for joining me in Rethinking GOD'S Rainbow Marriages. Remember, keep your eyes on Jesus so you can be wiser than Satan and as harmless as Dovee so our King Jesus' Force can be with you!

- XO
