

Rethinking Gay Marriage | Part 05 | What's At Stake?

<<Insert questions to Matthew Vines and Sean McDowell>>

What's actually at stake is our Good GOD'S Name and Reputation & the foundation of our King Jesus' Throne to rule His Kingdom on Earth as it is in Heaven.

Our EXAMINERS are prompting us to ignore the cries for help coming from our Christian Rainbow Community. When we treat them unfairly and callously to please our EXAMINERS, we broadcast to the World that our King Jesus is unfair and callous to His followers. If He's unfair and callous to His own Teammates, what's the point to join His Team?

Choosing religion over plugging directly into our King Jesus is a choice. While religion is full of clutter, chaos, confusion, and contradictions, our King Jesus can sort it out. GOD made sure that His fairness is understood by everyone. While we can get confused about fairness, that's on us when GOD made it simple enough for monkeys to understand:

<<Insert TED talk on monkeys recognizing fairness>>

Our sacred men are accusing GOD of making us do evil and be unfair to make Him happy. By doing this, they are attacking the foundations of Goodness and

Fairness upholding our King Jesus' Throne. When monkeys, dogs, and birds understand goodness and fairness, there are no valid excuses for humans. Since they claim to be following the Bible, they can only use the Bible to substantiate their charges against GOD, but the defense is free to use our Good GOD'S entire creation as evidence that they're wrong.

Our sacred men have submitted into evidence four Biblical witnesses presenting 10 pieces of evidence against GOD being Good and Fair. Since our sacred men are using the Bible to establish their charges against GOD, they must also follow the Bible's ground rules which includes GOD'S Perfect Witness:

“My decisions are true, because I am not alone. I stand with the Father, who sent Me. In your own Law it is written that the testimony of two witnesses is true. I am one who testifies for Myself; My other witness is the Father, who sent Me.”

- King Jesus in John 8:16-18 NIV

<<Chosen Jesus & Matthew insert>>

By attacking our King Jesus' right to rule over us and His Earth, we are refusing to let Him stay and ascend to His throne like the Pharisees did. Jesus didn't come the first time because we were doing things right. The Pharisees were so dependent on Scriptures, they didn't recognize their Messiah when He was standing in front of them.

Biblical opinions that contradict our King Jesus' teachings are false. Jesus taught us that every Scripture hangs on teaching us to love our Good GOD better and loving others better. Jesus taught us that every Scripture hangs on these two Prime Directives. This means that any Biblical opinion that fulfills one or both of His Prime Directives is His point for giving it to us. Any Biblical opinion that's contrary to our King Jesus' Prime Directives has officially missed GOD'S point for giving us that Scripture.

Jesus also taught us that His yoke is light for all of His followers. When we see religious rules and heavy yokes for some and not others, we are always seeing the results of sacred men doing what they do best.

Sacred men are like that obnoxious car behind you that lays on his horn and has always disappeared when you're trying to explain to the police what happened. They want to micro-manage how you live, spend your money, and who to marry. But later, they're too busy to help you sort out your messes. It's better to plug

directly into our King Jesus. We're still going to make messes, but He never leaves us alone to sort it all out without Him.

<< Simon Sinek - Leadership Contract>>

Our King Jesus has already demonstrated His worthiness to be our Leader, Teacher, Boss, and King when He ran to the cross and died to keep us safe. He fulfilled our leadership contract and died for us before asking us for a single leadership perk, but He deserves all of them. He deserves our loyalty, trust, love, devotion, worship, and being given the benefit of doubt. He gave everything to make sure we are free to choose Him as our Good, and Fair Leader and oppose all challenges to His throne by our sacred men.

If we won't fight for Him, we won't deserve to have Him as our King to lead us for all eternity.

Thank you for listening to Part 05 of Rethinking Gay Marriage. I hope you will join me for Part 06! Until then, keep your eyes on Jesus so you can be wiser than Satan and as harmless as Dovee and may our King Jesus' Force be with you!
